The Season's Best

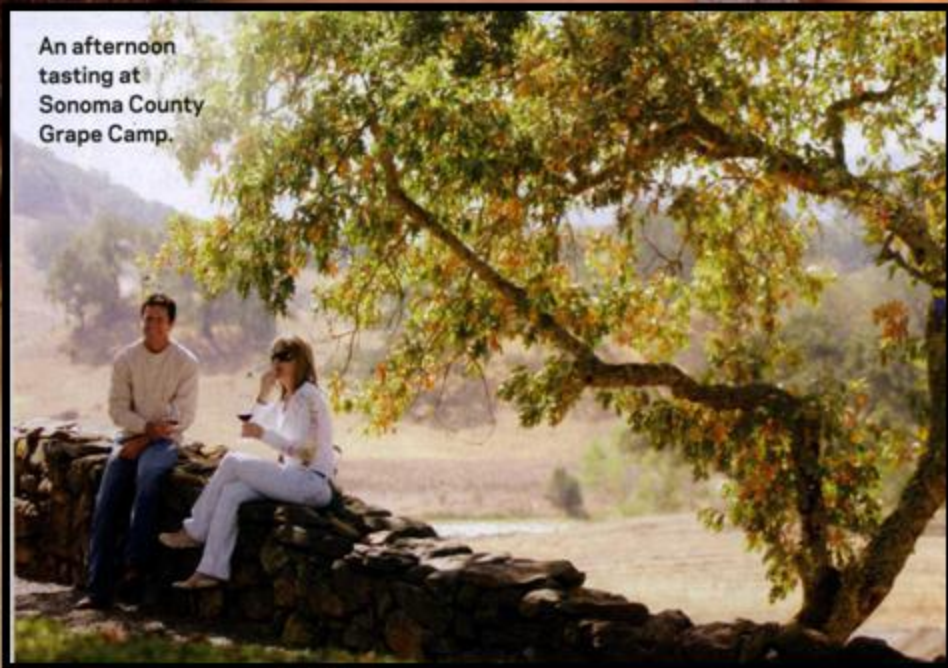

When the gift of enlightenment is what you have in mind.

Spirited Refinement

Do you have wine-loving friends who are game for anything? **Sonoma County Grape Camp** (\$1,750; sonomagrapecamp.com), from September 27 through 29, 2010, throws participants into California harvest activities, from picking grapes to stomping on them. Seminars, cooking classes and, of course, tastings round out the educational fun, all set at the best area wineries and restaurants.

An afternoon
tasting at
Sonoma County
Grape Camp.
